Narrow Gauge Wines package x 2

Three bottles of wine x 2 of the ever popular (and unavailable for retail sale) Narrow Gauge Wines from the Buxton family. This great stuff is not available for retail sale—it is a true small batch winery with all grapes grown at Arthur Michael Vineyards in Jamestown, CA.

Each package has 1 bottle of 2024 Primitivo (valued at \$45), 1 bottle of 2024 Sangiovese (valued at \$35, and 1 bottle of 2024 Cabernet Sauvignon (valued at \$50). Total value of each package is \$130.

Primitivo is the Italian variety of the California Zinfandel grape. Light, very drinkable, spicy wine.

Sangiovese is the grape variety used to make Chianti in Italy. Fruity, medium bodied wine that pairs well with pasta.

Cabernet Sauvignon is king of the cabs, dry and very drinkable with a pleasant mouth feel and caramel tones. The Buxtons believe this is one of their best cabs ever!

Follow the winery on Facebook (Narrow Gauge Wines)!
