

Another successful year!

With your support, our volunteers have:

- Rescued **61** cats and dogs (**24** adopted locally, **36** transferred and adopted from partner shelters/rescues).
- Issued **234** low-cost vouchers for spay and neuter, **96** of which have been redeemed to date.
- Provided pet food to **324** households (many repeat customers) at our monthly Pet Pantry.
- Provided free vaccines to **35** cats and **105** dogs, plus low-cost rabies to **112** animals at two shot clinics.

From November 2024 through February 2025 we will be planning our 2025 programs and fundraising events. If you have suggestions, please email us at info@chamahumanesociety.org or leave a voicemail at 888-666-0641. Thanks!
